

Empowering NGOs and Networks, Universities, Foundations, and Courts to Publish and Share Their Knowledge

Uwazi is an open-source solution for building and sharing document collections

[Try it out \(/try-it-out/\)](#)

PUBLISH WITH PURPOSE

Publish, index, cross-reference, and recommend documents with wider participation and collaboration.

BUILD A CUSTOM LIBRARY

Setup with custom elements most important to you and your work — themes, institutions, judges, authors, or anything you choose.

DISCOVER NEW INFORMATION

Search, find, bookmark, and download documents from your computer or mobile device.
